The goods and services shown in this General Price List are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy an item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink. Either a grave liner or a burial vault will satisfy these requirements. This list does not include prices for items which Strawser & Staley-Strawser Funeral Home does not supply, such as: cemetery services, death certificates, clergy fees, newspapers notices, motorcycle escort, etc. These charges are not made by the funeral home, and you may be asked to pay some or all of them prior to the services being provided. Strawser & Staley-Strawser Funeral Home has no control over these suppliers or their fees.

Strawser & Staley-Strawser Funeral Home makes no representations of warranties regarding caskets, outer burial containers, or other funeral goods sold by Strawser & Staley-Strawser Funeral Home. The only warranties, expressed or implied, granted in connection with the goods with this funeral service are express written warranties, if any, extended by the manufacturer thereof. No other warranties, expressed or implied, including the implied warranties of merchantability or fitness for a particular purpose, are extended by Strawser Funeral Home & Staley-Strawser Funeral Home.
